UK · FIT NOTES

A GP isn't the only one who can sign your fit note

Who can certify one, and when you need it.

Swipe →

SINCE 1 JULY 2022

Five professions can certify a fit note

1. Doctors
2. Registered nurses
3. Occupational therapists
4. Pharmacists
5. Physiotherapists

WHO KNOWS

9%

of GB adults knew pharmacists in GP surgeries can issue one

YouGov survey of 2,023 adults, June 2023, published by the DWP. 18% knew about nurses.

7 days

off in a row before a fit note is needed

Weekends and bank holidays count. For 7 days or fewer, your employer can ask you to self-certify.

YOUR TURN

Did you know a pharmacist could sign your fit note?

Yes or no in the comments.
