IRELAND · PROPOSED LAW

Paid leave for pregnancy loss before 23 weeks

What the Pregnancy Loss Leave Bill proposes. It isn't law yet.

Swipe →

5 days

paid leave a year for a loss before 23 weeks

From 23 weeks, maternity leave already applies.

€110 a day

maximum: 70% of daily pay, as with sick leave

Earn €180 a day? 70% is €126, so the cap applies and you get **€110**.

WHO QUALIFIES

Leave from day one, pay after 13 weeks

Medical certification is required. Employers whose scheme is more favourable overall won't have to change it.

YOUR TURN

Does your workplace already have a pregnancy loss policy?

Yes or no in the comments.
